Slight Note: This online guide is made only for a browser based game and I don't plan on making any other for it. I am also making this guide to share my knowledge with everyone and not to gain any money. Growtopia is a browser based indie game by a group of developers from around the world and has been growing steadily for almost 5 years now. But the game still has a number of issues that I have to mention and report. CPU The game has been released for all kinds of computers, but I have
