READ THE HIGHLIGHTS OF THE MOST UNIQUE PSYCHOLOGY OF ALL TIME. Discover the real secret to success, love, health, wealth, and wisdom – and learn how to apply it to your own life. The author of the New York Times bestseller Your Erroneous Zones and the host of the hit podcast THE KIND OF PERSON, with a global following of millions, David Burns demonstrates that true confidence and self-assurance are based on a simple but profound principle: no matter who we are or what our past experiences have been, all of us are capable of consistently and reliably choosing the right responses in any given situation. Whatever problems we are facing in life, whatever feelings we are experiencing, we can always choose to act with confidence, to be the kind of person who does the right thing. With candor and personal insight, David Burns teaches you to: • Create habits of mindfulness, which help us to recognize the things in our lives that we control, and recognize the things that we do not• Understand the emotional and psychological roots of irrational fears• Tap into your subconscious mind and reprogram yourself with new strategies• Master your life with the tools of your own mind, regardless of your circumstances Praise for the KIND OF PERSON: "If you want to improve the way you deal with everyday life, this book is for you."– BRET BAIER, host of FOX NEWS's "HANNITY" and "FOX & FRIENDS" "Burns gets to the heart of what is both fascinating and potentially transforming in this simple and wise book."– LEON WIESELER, author of THE MOST UNIQUE PEOPLE IN THE WORLD "When you're just
