The same problem that all vore fans have in terms of the content. Why are there vore porn fics floating around somewhere? It's a brutal aspect of vore. Because the content was fan made and others haven't been trying to make their own. I believe Lulu's parents were killed but not for what we know on the series. It was for the wrong reasons. She's already in a dark place. Same as what AC said: Lol. That's how it's been explained in the manga also, as how she was 16 years old and was the one who committed the murders. She was the one who revealed it to Makina who then blabbed to the whole group. Now that pretty much makes sense for her to be depressed, especially if she is supposed to confess to Makina about her pregnancy.... Now with the synopsis, I'm definitely loving the yandere type. Spoiler: The Wall is going to be an interesting arc. Especially with the order of the scenes. Sometime he made an actual plan out of it, but other times he just had a vision of it in his head and forgot about it. I think he'll be trying to use Muza to try and save Makina and the rest of the group. Hopefully in the meantime we'll get more of Aya's development. The Wall is going to be an interesting arc.
