By rolling out an \$8.3 billion plan to combine its x-ray. can download a PDF file to a computer of the person with. of the problems that occur with limited neck mobility and of the.Q: Using Google Places API to find all pubs in a city I'm currently using Google Places API to find all pubs in a certain city (all pubs). I'm using the following URL: This is not working. Apparently, the URL I'm using is deprecated. That's the only restriction I've found so far. However, using the deprecated URL works for retrieving all pubs. Does anybody know any other resource for retrieving all pubs in the city? A: Append &location=40.7409254,-73.998672 to your URL. This will search for all pubs in the radius. 2. The darker times "Much of the oldest junk they throw away is contaminated with lead," says Nancy Deutch from Earth911. If your house was built before 1980, you have in your home or on your property some of the most dangerous amounts of lead on Earth. You might think this is a thing of the past. After all, the EPA has removed lead from gas (you know, as well as everything else). But not everyone is as lucky as us. The EPA has started testing for lead and has only recently
