Chosen from among several candidates, you are now a bearer of the power of the Elden Ring. As an Elden Lord, you are committed to the challenge of fighting against an ancient evil, and your duty is to gather worthy warriors to fight alongside you. The fate of the past and the future lie in your hands. Let the Evil Era Begin! ■ **About Elden Ring** The main aim of Elden Ring is to create a game where players can enjoy themselves. In this game, players can create their own character and play online with their friends. Players will freely be able to forge their own unique identity, and enjoy seamless online gaming with their friends. ■ **Game Modes** Elden Ring can be played in short sessions and quests, or in long sessions with players constructing their own dedicated base. Sessions - Challenge You'll find various challenges in game sessions, including the mid-level dungeons "Trystling Dungeon" and "Storming Cave", in which you must form a team to cooperate. - Build Base You can freely build your own dedicated base and enjoy yourself with your friends in the base while playing together. For example, even the base you build is a premise to craft, collect, and manage equipment, and you can also defend it together with your friends while playing. The use of bases also allows you to take on the mission of "Acting as Master", where you take on the role of a master and guide the journey of other players. Quests - Campaign As you progress in the "Acting as Master" mission, you will face story-centric missions, "Lordship Missions", and take on the roles of Elden Lords. ■ **Features** □ **Colorful Graphics** High-quality graphics in various viewing angles for smooth and realistic world environments. □ **Efficient and Friendly Interface** The intuitive interface allows players to easily control their characters and equipment. □ **Discover Random Dungeon** Discover a strange dungeon full of mysteries as you go on your adventure. □ **Customize and Create New Weapons** Equip your favorite weapons and create new weapons by combining two items from various shops. □ **3-Dimensional World** As you travel, you can see the world with your own eyes, and interact with various objects in the various environments. □ **Advanced AI** Elden Ring supports AI that is not only smart but also forward-looking.

## **Features Key:**

**Game Creation Level 3:** Create and control the story as you want. You can create and equip your own spells and other items and can call on the help of other players through friend systems. You can freely move around a vast world and interact with the NPCs freely.

**RPG Level 3:** You can freely enjoy battle and give command over your soldiers by using the Command Menu. Equip weapons, armor and other gear using your own freely. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior.

**OXM Level 3:** Efficient Save and Load functions save your game easily. You can easily create a new game from a current save.

**Character Export\*:** Export your character to use your work in other games

**Multiplayer Level 3:** A huge open world that you can freely travel around. You can compete in Fire Emblem style matches to defeat other players. Fight with your friends through the online gaming system and even connect with them live through a friend system called Co-Online.

**Player Matching:** Match players automatically to play with them and compete in Fire Emblem style matches

**Multiplayer Ranking:** You can compete in the online ranking to increase your ranking and be able to play with more players

**\*Character Export can only be done on a free trial version of the game.**

have been praised by consumers, and the system has been experienced with a certain degree of success worldwide, winning the title of “winNER” at the Independent Games Festival. The game’s online play system features a built-in map, allowing players to exchange messages. By interacting with these messages, it is possible to directly communicate with other online players and players from far away. Together with features of character growth and combat, this is a revolutionary game that features both online and offline play.” [Steam (USA)] (Quoted from the Steam press release) “The game features a massive online co-op that allows players to interact with each other using the game’s built-in map. A variety of messages, such as whispers, have been added to the game, giving players the ability to engage in dialogues and conflicts in an unprecedented way. Players can interact with each other in the game using the in-game map. This was the game’s original online co-op gameplay. The game also features an asynchronous online element that allows players to enjoy the presence of others while playing in the game.” [Sony (Europe) PS4] (Quoted from the Playstation 4 press information) “Adventure mode is set in a large world with a variety of hidden dangers and occurrences. The modern twist to “towers and traps” gameplay fuses the action RPG genre with a strong plot and epic scale. Players must work to recreate a myth and restore the lands of the Elden Ring.” “Online play has been perfected, so that players can experience an unparalleled online co-op that allows players to interact with each other using the game’s built-in map. While in online co-op, you can enjoy an online role-playing adventure with other players. The game has a variety of online functions added. Players can interact with each other using in-game messages and posts. Players are also able to meet online, chat with them, engage in dialogues with them, and share images with them.” © 2017 Red Spectrum Inc., Red Spectrum Europe NVThere is known a system that calculates an alignment target (for example, a road mark) for bff6bb2d33
