
Spin Rhythm XD PC Game Free Download ((FREE))

[Download](#)

Spin Rhythm XD is an electronic music rhythm game with smooth analog controls and completely handcrafted levels. You have to use simple beats and riffs to create rhythms. The goal is to complete the level as quickly as possible. The faster you complete the level, the more points you get. Each level has two music tracks. On one of them you can create melodies, and on the other they will be combined and sound together. Features:
• Ambient rhythms for relaxation.
• Completely handcrafted levels.
• Sounds and ringtones that are suitable for all platforms.
